## Burnett Family

By habit I write the surname with 2 “t's” but many of the family used one 't,' others spell it Burnap and many other spellings. Incidentally historically the name was pronounced, I understand, “**Burn-it**,” and it is still pronounced that way in the eastern United States, rather than my family's pronunciation “**Burn-et**.”

The [Burnetts of Leys](#) – these are the Scots Burnetts, apparently our ancestors.
