## FORMER REPRESENTATIVE DIED IN HUNTING LODGE

Kenton relatives have received the news of the death of Hon. H. R. Piper, 71, in a hunting lodge near Pozo, Idaho, the body having been found by neighbors. Mr. Piper left Hardin county 22 years ago after having served as representative from the county in the state legislature. He has since devoted his time to hunting and study of wild life in the west, many articles written by him having appeared in the national magazines. Mr. Piper was born in Lynn township on March 28, 1856. Two daughters, Mrs. Harry Eddy, of Kenton and Mrs. A. L. Simpson, of Long Beach, Cal., survive.
